### DEE JAY MARLON MACK

...has over 20 years of experience in the entertainment industry. He is a veteran professional in Marketing, Advertising, Music Production and DJ Services.

ABOUT

### WHO WE ARE

VIDEO ALL-STARS DJ's is a group of Video DJs that promotes music videos from independent to major labels.

LEARN MORE

### DJ PLAYA

...knows his way around 2 turntables and a mic. From schools, bars and upscale clubs to becoming an international DJ, with an extra-ordinary ability to rock a crowd.

ABOUT

### OUR MISSION

## What is Video DJing?

Video DJing is a personality-styled video disc jockey that plays music videos with exclusive visuals. Video DJ's use innovative software and engagement tools to interact with the crowd, revolutionizing industry standards in DJ entertainment. We believe in a quality, we customize your vision for your perfect event experience.

#### What is the benefit of having a Video DJ party?

- Interactive Engagement with your audience (text to screen technology)
- Visually Stimulating to heighten your senses
- Brings a Dynamic Atmosphere for your event
- Brings back memories and nostalgia for our video library playlist
- Opportunity for on screen advertising (picture, video, logo...etc...)
- Great for Silent Parties
