TESTIMONIALS

"Super interactive and informative. Great session!"

Lotus STEMM 2020 Degrees Of Success Workshop participant review on our Nanorovers activity with Lotus STEMM

"The Indus Space Team provided an engaging workshop for my grade 3/4 students in a friendly, informative way. Their knowledge and expertise, as well as comfort level in working with children, made for a seamless experience from start to finish. The students were on-task and riveted throughout"

Educator in the Greater Toronto Area (GTA)

"I liked everything! Especially the project of last class and also the birth of a star. Thank you so much for ten classes of fun and space travel!"
